

# Indicators of Success Table

Questions to Consider	Example Response*	Response
<p><b>“How will we know how well we are implementing the activity?”</b></p>	<p>Naloxone administration and distribution of leave-behind kits are part of official police protocol in a suspected overdose.</p>	
<p><b>“How will we know our activity or intervention is working?”</b></p>	<p>Police officers administer naloxone in suspected overdose cases they encounter and distribute “leave-behind” kits.</p>	
<p><b>“What do we hope to see happen as a result of the activity?”</b></p>	<p>Increased rate of naloxone administration by police encountering overdoses; distribution of “leave-behind” kits; reduction in fatal overdoses.</p>	

\*Example responses are included in the column to the right of each corresponding question and are based on a naloxone leave-behind program.
